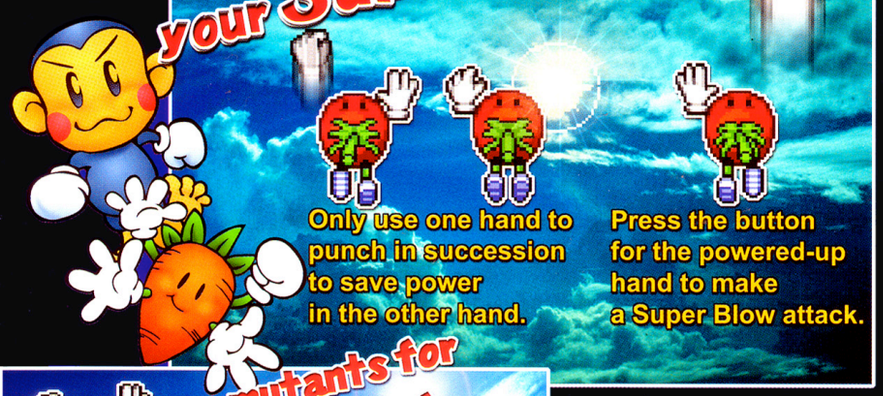
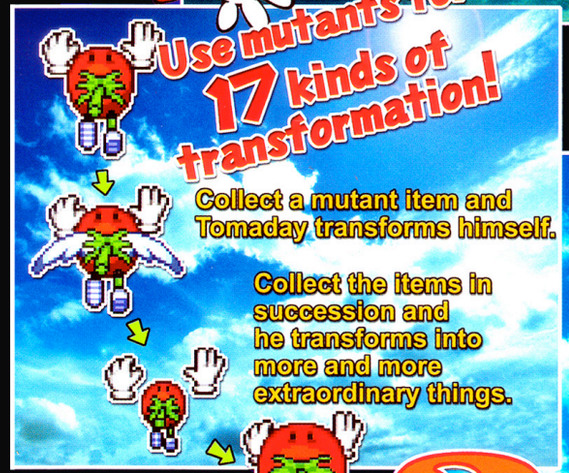
Mow down the enemies that are getting too close with your Super Blow!



Only use one hand to punch in succession to save power in the other hand.
Press the button for the powered-up hand to make a Super Blow attack.

Use mutants for 17 kinds of transformation!



Collect a mutant item and Tomaday transforms himself.
Collect the items in succession and he transforms into more and more extraordinary things.

ITEMS

Destroy a tomato can and an item appears.

CAPTAIN TOMADAY VISCO

This major meg cartridge was created by a hobbyist for personal use for only. This conversion is made with 100% genuine components. This cartridge is not for sale, trade or profit. SNK Forever...
